

Why use Blue Ribbon Business Travel International

If you travel for business purposes or lead an organization with business travel needs, chances are you have enough to worry about. Why let the stress of travel planning and management get in the way of the regular demands of your job? Whether it's for lower prices, stress-free travel or a great customer service experience, it just makes more sense to partner with quality travel management professionals that will do the heavy lifting of business travel for you and your company. Top reasons to utilize Blue Ribbon Business Travel for your business travel needs:

Industry Knowledge and Access / Saving Time

Our corporate travel agents have access to many travel resources and know how to find these resources quickly. This can give you the best information when it comes to flight paths, upgrade choices, lowest fares, and additional information that will make your business trips convenient and as comfortable as possible.

Emergency Contacts / Itinerary Changes

When your employees are traveling, it is important that they know that they have a person they can contact when problems or emergencies arise. You can contact your travel support team while on the road and have confidence that your needs will be dealt with quickly and professionally. We hope to take the stress out of traveling whenever possible.

Blue Ribbon Business Travel International provides you with a team of dedicated agents as well as access to after-hours support through our call center—so you can rest assured that you're taken care of while traveling!

Travel Discounts

Blue Ribbon Business Travel International has access to discounts when it comes to hotels, flights, and car rentals. Corporate travel agents work with a large load of clients and therefore establish relationships with certain travel brands.

Discounted prices are not the only advantage that comes from these relationships; other advantages include, free hotel breakfasts, room upgrades, and VIP check-in lines at rental car kiosks. These are just a few of the extra advantages you can receive when booking through Blue Ribbon Business Travel.

We would enroll your company in partnership programs that leverage your travel spend and reduce your overall travel budget.

Extensive Online Travel Resources / One-Stop Portal

Blue Ribbon Business Travel's online portal is designed to adhere to your company's travel policy requirements. The online portal would have your company's and Blue Ribbon Travel's programs and discounts loaded. This portal allows business travelers access to their complete itinerary, mobile access for booking or viewing trips, in addition to any extra information they may need in their destination.

Duty of care

Whether it is a weather disruption, emergency or simply that the company urgently needs to know where a specific traveler is, Blue Ribbon Business Travel will have instant access to this information. We take a proactive approach to contact our travelers that are affected by any disruption when we are notified and we work to identify the best solution to reroute them on the next available flight, find the best alternative arrangements to avoid standing in long lines or having to spend extra days in a destination.

Manage your unused airline tickets

We manage, audit, report, and ensure the reuse of all travelers' unused/cancelled tickets.
